Any snowmobile operated in New York State must be registered with the New York State DMV, even if it is registered in another state or province, except under certain special circumstances.

Registration is \$100 annually per sled UNLESS one member of the household is a member of a NYSSA-affiliated trail maintenance snowmobile club. If that is the case then every sled registered by that household pays only \$45 annually per snowmobile. This "two-tier" registration fee is not only a great incentive for snowmobilers to join a club but it also brings much needed funding to the NY snowmobile trail system. \$90 of every \$100 registration and \$36 of every \$45 registration is returned to the NY Snowmobile Trail Program.

Two Local Snowmobile Clubs

If you are not currently a member of a NYSSA-affiliated trail maintenance snowmobile club, please consider joining one of our local snowmobile clubs. Thank You!
